

accents

from C.H.I. OVERHEAD DOORS

Finally, a garage door that speaks with an accent.

The beauty of wood. The durability of steel. The quality of C.H.I. That's *accents*.

The natural luxury and warmth of wood gives any home greater appeal and sophistication. With accents wood grain finishes, you can now achieve the look you've always wanted.

When examined closely, you'll see an attention to detail and the fine craftsmanship that separates accents from other garage doors. And unlike natural wood, you won't need to treat these doors against sun or moisture damage.

With multiple distinctive color options, accents is available in models 5216/5916 and 5283/5983 in short/long stamp configurations. Both feature long-lasting steel construction with a CFC-free insulated core for protection against the elements and added structural stability.

If your home is ready to make a more stylish statement, you'll find just the right accent for it right here.

accents
from C.H.I. OVERHEAD DOORS

Cedar

Its distinctive hue provides a wonderfully rustic yet elegant presence. An attractive choice for a wide variety of home styles.

Mahogany

Deep, rich and exquisite, this look says you've arrived. An easy way to stir envy among other garage doors on your street.

Dark Oak

For a classic look that never fails to exude comfort and grace. A favorite selection among those whose tastes run toward the traditional.

Light Oak

If you're looking for instant charm, then look no further. This striking finish adds care-free grace and beauty to any home.
